**RE:** NATIONAL CHAMPIONSHIPS JUDO, CYCLING AND JUNIOR TABLE TENNIS

Dear All

On behalf of SASAPD I write to thank you for your dedication and commitment to making these championships a reality for our athletes this weekend.

Each of you had a dedicated team of volunteers who I have tried to copy on this communiqué – please forward to anyone I may have missed but by all accounts it was an extremely successful weekend.

In terms of cycling – our thanks too to Les and his team at the Gauteng Motor Show for allowing us to use such a stunning facility. Thanks too to “Think Bike” who provided a fantastic marshalling facility as well as the students from UJ who stood out on the track for hours at a time.

For table tennis – our thanks to SATTB – their officials came to the party and together with the SASAPD team put together a tournament that will inspire the athletes for the future – Ganief as President of SATTB who made a commitment to promoting and developing our potential for the future though SATTB – your presence at the tournament for the duration was greatly appreciated together with the work of your officials

And Judo South Africa also came to the party with their officials and helpers ensuring that this competition was also a huge success. The event has resulted in at least 2 new schools introducing judo at their schools.

To SASAPD Executive Members who were present at all events, Isaac Shadung (Vice President), Zelda Hansen (Executive Sports Convenor) and Ernesta Strydom (Executive Sports Convenor), Heloise Visser (Executive Member) thank you not only for attending and being a part of these events but also the help given in terms of logistics. I

Last but certainly not least special mention must be made of our classifiers Brian, Sandra, Hetsie, Yvette, Hilary, Linda, Charmaine, Suria. Thank you for once again giving up your time to ensure that our athletes compete under fair conditions.
